

## CLC Learning Hub Plan

**Mission:** The mission of the CLC Learning Hub is to help provide an affordable cohort environment for students to do their remote learning. This will allow more parents to continue working remotely or back in their place of work while students are learning remotely from the CLC building during school hours.

This site will allow parents to drop students off to CLC practicing a cohort environment. CLC has multiple classrooms and lunchroom option available for use, allowing us to practice social distancing while providing a quiet positive learning environment.

### **Ideal Daily Routine Rough Idea of how the day will run...**

Staff will arrive at 6:45 AM.

Students grades 7-12 will arrive between 7 AM-7:15 AM

Students grades K-6 will arrive between 8 AM-8:15 AM

Students will follow their individual schedules.

Students will eat lunch during their schedules allotted lunch time, in Huston Hall where social distance eating can occur safely.

Recess will depend on the student's schedule and how long they take for lunch.

After lunch/recess students will continue to follow their provided schedule.

Students grades 7-12 pickup time will begin when students' schedules are over but must be picked up by 4 PM. After students have completed their classes for the day but have not been picked up yet, they will need to work on homework, daily reading assignments, or other work until they get picked up.

Students grades K-6 pickup time will begin when students schedule permits but must be picked up by 4PM. After students have completed their classes for the day but have not been picked up yet, they will need to work on homework, daily reading assignments, or other work until they get picked up.

**Commitment:** *It is required to commit to attending the Hub per student's school semesters. To adhere to a cohort learning environment, we need this commitment. As schools begin reevaluating opening in person learning and based on school's semesters, we will reevaluate students leaving for new students joining the hub environment.*

*After we have reached our cap of students, a waitlist will be started and when the semester changes, those students will be contacted to join at that time.*

Full Time M-F (7th-12<sup>th</sup> 7:00 AM - 2:30 PM & K-6<sup>th</sup> 8:00 AM - 3:30 PM

**Rates: A \$75 non-refundable (unless we do not have an opening) deposit is required when registering.**

Full Time M-F \$150.00 a week per student (\$100 for each sibling).
